

**Less calls from citizens.  
Less calls to support.**

**More time to focus on  
what counts—smooth  
operations, easy  
reconciliation and  
constituent satisfaction.**

The payments industry continues to evolve and Locis is excited to announce a new integrated partner, Govolution by Deluxe. Govolution remains a leader in payment technology that meets the wants—and the needs—of government agencies, regardless of their size or type.

We are a product of the processor, not outsourced to a third-party, so you will have access to a dedicated account representative, unparalleled customer support (in-person, virtual, over the phone, via email and live chat), and a shared commitment to your ongoing success.

- » Payment technology for any channel with access in a single portal
- » No monthly or minimum processing fees, and no transaction reject fees
- » Custom solutions for each department
- » Extensive reporting and easy reconciliation
- » Business solutions such as Lockbox, DPX and HR+Payroll services

**LET US HELP**  
your municipality  
minimize cost and  
run smoothly,  
while providing a  
seamless  
payment  
experience for  
your citizens.

## About Govolution

**Our business** is payment technology—proven to expand payment options for government entities while reducing both operating costs and services.

**Our solutions** are convenient—designed to serve citizens online, other the phone, or at your office with an easy-to-navigate site.

**Our system**—appropriately named Velocity—delivers the speed of both integration and reconciliation for your agency.

You'll choose us because of our payment expertise and customized solutions. You'll stay with us because of our service after the sale. Our team includes some of the brightest minds in the payments industry, backed by innovative payment technology, seamless integrated products and solutions, and high-touch service that has proven to be essential to government clients.
